IMAYROAM.COM

I May Roam is Brian Cicioni's travel blog, which focuses on exploring small cities by car and large cities by public transit. Whether it's Paraguayan and Uruguayan food along the 7 train in Queens or Thai Town and Little Armenia in East Hollywood, I May Roam will show you the cultural gems that are too often overlooked.

ABOUT BRIAN

As soon as he got his driver's license, Brian started going to see his favorite rock bands (Metallica, Ozzy Osbourne, Pearl Jam, Slayer, Soundgarden and Sleater-Kinney to name a few) and immediately became addicted to travel. The older he got, the more he started integrating his love for history with seeing his favorite bands. Why not go see Sir John A. Macdonald's house in Kingston before a Soundgarden concert in Toronto?

After earning his bachelor's degree in Management/Marketing from Penn State University, he started traveling to Europe every spring and winter. While studying for his MBA, he developed an interest in Asia and South America and has since traveled to 48 countries spanning 5 different continents as well as 49 of the 50 United States.

Brian is the East Coast Correspondent for Culture With Travel and has also contributed to Dave's Travel Corner, Matador Network, Travel Tramp and 52 Perfect Days. His blog has been featured by Lonely Planet and Travel Gluttons. He's been a guest on the Amateur Traveler podcast multiple times.
